### About Me

I am a Full-Stack Web Developer with a B.Sc (Hons) BIT from the University of Greenwich (First Class Honours) and a Higher National Diploma (HND). Experienced in the full development lifecycle, from requirement gathering to deployment. I specialize in back-end development using Laravel and MySQL, and front-end design with HTML, CSS, JavaScript, Bootstrap and Vue.js.

As a trainee at KMD Institute, I developed strong troubleshooting skills and gained experience with multiple programming languages. Passionate about web development, committed to learning and building scalable solutions.
